4. New Gazette

Having taken legal advice and the opinions of other contact codes, it is noted that the new Gazette is specifically sub-titled "Resumption of professional contact and non-contact sport matches" and accordingly the contents thereof are understood to specifically refer to matches ie competitions. Additionally, our approval to return to training specifically allows for a variation on testing of all athletes if detailed in our operational plan, which ours does by way of adherence to the Department of Health guidelines.

However, as interprovincial travel is still not permitted it appears that we are still not able to resume competitions, even if permitted by the new Gazette. However, we shall “wait and see” what developments occur over the next few weeks.

5. Strategy meeting agenda

The agenda was finalised with time blocks to allow for a smoother running meeting.

6. Commonwealth fencing

The AGM is 22 August 2020 and Patrick Collings will attend on our behalf.

Payment of annual subs has been requested. This is Aus\$650 per year. We consider this expensive under the circumstances, especially in light of the fact that the FIE and CAE have suspended subs for 2020. To request that Patrick raise this issue.

7. Close

Next meeting tentatively scheduled for Thursday 13 August 2020.
