

## MINUTES OF THE EXECUTIVE COMMITTEE MEETING HELD VIA ZOOM ON THURSDAY 20 AUGUST 2020

### 1. Welcome

The president welcomed the members

### 2. Present and apologies

Present:

Mike Stafford – President

Gunter Schroder – Vice-president

Louise Lombard – Secretary General

Tony Rademeyer – Treasurer

### 3. Competition Gazette

After due consideration, the new Gazette from last week allows for professional level competitions, but under very strict circumstances including athletes and officials quarantining together for 2 weeks before and 2 weeks after in a “biological safe environment”. This is not viable for fencing, even before taking into account the no spectators requirement, limits on 50 persons in a competition venue and the lack of budget for our ordinary competitions. We shall await the Level 2 Gazette and hope it includes more viable options for competitions.

### 4. SASCOC

We have once again supported a call for the SGM to take place urgently and electronically.

**5. Government 2<sup>nd</sup> wave relief**

The form has just been published, Louise to download and publish to the provincial chairs.

**6. Abdelmalak safeguarding issue**

We were joined by Renuka Ramroop and Joseph Maluleke of the commission to discuss a number of queries and emails that have been received regarding this matter.

It is concerning that we are still receiving queries regarding this matter and that we are accused of not doing everything possible to resolve this matter. Due processes are still being followed and according we cannot and will not discuss it further. To publish a release to council to this effect and highlighting the coaching legislation requirements.

**7. Close**

Next meeting tentatively scheduled for Tuesday 25 August 2020.
